

## Heron Haven 2nd Saturday FREE Hike and Program 10-11:30

### Harry Potter Magic at Heron Haven January 12, 2019

You don't have to travel to the Harry Potter universe to see "Fantastic Beasts," we have them right here in Omaha! Austen Hill from the Papio-Missouri River NRD will be showcasing an assortment of magical creatures including owls, serpents, and many more. So grab your warmest robe and hop on your broomstick and head to Heron Haven for a fun filled morning! Also you will make your very own magical wand from natural materials and take it on a hike through the enchanted woods and wetlands of Heron Haven. Hot chocolate and cookies will be served. A drawing from a Sorting Hat for a Harry Potter book and Family Nature Guide will also take place.
