

**HERON HAVEN 2nd SATURDAY FREE NATURE PROGRAM
WALK ON THE WILD SIDE 10-11:30
Explore the Wonders of Plants and the
Fauna that love them.**

Photo by Chris Robie
Special thanks to Garden Volunteers!

Flowers and special plants abound in our gardens and wetlands. Come walk with Ms. Janet, a Master Gardener as we discover what's in bloom in the butterfly garden and wildflower meadow. Master Naturalist Judith Bouma will meet you on the boardwalk where you can use dip nets to investigate the tiny critters that live among the arrowhead and duckweed plants. Free Heron Haven Fieldguides. Enjoy painting a watercolor in the Butterfly Gardens.
